U. S. Steel Slumps Under | Argentine Drouth Plays Im-Fire; Fresh Strength Is Shown in Railroads.

Note-Quotations reflect closing prices Monday, Oct 2.

New York, Oct. 2.—Advances met considerable opposition and realizing sales in to-day's stock market the short interest again concentrating its effects upon U. S. Steel and other prominent industrials, which not only surrendered all their carry gains but

maj prices. The tendency in that quarter was one more offset, however, by further gales in sits. Norfolk and Western extending its dvames to 140 and other stocks of that roup showing fresh strength.
